By Appointment.

TUCK'S POST CARD

CARTE POSTALE. POSTKARTE.

Tramway Centre, Fleet Street, is one of the principal streets of the town of Swindon, and, with Bridge Street, is the centre of the tramway system of the town. This excellent service was opened in September, 1904, the overhead trolley system being used, the total length of the track now being over 3¼ miles long. The consequent accessibility of the suburbs of Rodbourne and Gorse Hill is a great boon to the inhabitants.
